

THE SHORTEST SERMON?

delivered by John Randall

***"The poorest person is one whose
only wealth is money."***

Now, the rest of the sermon:

The Hierarchy of Priorities for the Cycle of Life:

Faith, family, friends, freedom, future, fulfillment, and fun.

*These depend upon fitness (physical, mental, social, spiritual),
and lastly, finance.*

*When in doubt about your priorities and goals, pray and
remember the hierarchy of the items on this list again and again!*

Faith in our Saviour, Jesus Christ is First.

Have you accepted Him as your Saviour?

*P.S. Always be joyful and thankful for the Greatest Gift of all:
God's Love by the life, death and resurrection of Jesus Christ!*
